ise was made agreeable to this request. However the resignment was made to Mr. Cullum, an employe of the late firm.
The bank afterwards proposed to have a The bank afterwards The San Francisco Daily Report says:
Adjutant-General Kelton's report of the extent and character of the Indian troubles confirms in every particular the pointion expressed by the Daily Report says. They may now say, from the very first. We may now say, from the very first. We may now say, from the very first. We may now say, and head of the late firm. The bank afterwards proposed to have a man appointed to act conjointly with Globe on Sunday evening.

Chaffee delivered George and his band to Lieutenant Anderson of Company L. Byron Charles and wife arrived in Globe on Sunday evening.

Only \$100,000 changed hands over the prevented from and the latter took the house but the birds had flown, being the house but the birds had flown, being the house but the birds had flown, being the house but the birds had flown with a stone. He then followed him all over town with his has returned with Company I of the continuous that it was only after these overtures and perhaps insobriety of certain army failed that the attachment was resorted rapidly recovering from her recent ill officers, and very possibly in consequence to, and if an assignee satisfactory to the ness. officers, and very possing in the of a criminal conspiracy between them creditors can be selected, the attachment unfortunate affair. It would seem that Saturday for Tombstone. ship was a reasonable one and should

case then we have the key to the long the late shooting affair in Tombatone. campaign phenomenal. General Kelton divided apon the question as to whether the characteristic of the control of the control of the characteristic of the campaign phenomenal. General Kelton should be more explicit. He should not leave General Willeox under any such cloud. We do not believe the General cloud the authorities are larged at one time, would attempt to the company and until me have been sold to be promising prospects.

We understand that the Quaker, no reports of the testiment and cloud in the will seltie in December. The Cabinet and Little Chief mines, Globe to be a circuit one from top no reports of the testiment and Little Chief mines, Globe to be published. There is a more assured to be a circuit of the country of cloud. We do not believe the General uses figure to excess, and until we have better proof than these insinuations in the report of Adjutant-General Kelton, we shall defend him from all such charges.

We do not believe the General was feared at one time, would attempt to ing prospects.

The premature discharge of a gun in the hands of Mr. Crawford, of Tonto Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making mourning necessary among his friends.—[Silver Basin, came pretty near making necessary among his friends.—[Silver Basin, came pretty near making necessary among his friends.—[Silver Basin, came pretty near making necessary among his friends.—[Silver Basin, came pretty near making necessary among his friends.—[Silver Basin, came pretty near maki charges.

But, to be serious, we see in this what may be as base a conspiracy as ever may be as base as conspirately as a conspirately as ever may be as base as conspirately as ever may be as base as conspirately as may be as base a consparacy as ever marked the record of the army, and that is saying a great deal, to make General is saying a great deal is saying a great deal is say in the General is saying a great deal marked the record of the army, and that is saying a great deal, to make General is saying a great deal, to make General Carr the scape-zoat for the late Indian thouldes. Fortunately Arizona is not an isolated military satraphy that it was in its case, all of the interest is in the National Tariff Convention to be held here on the will recommend that they be abandoned as military posts. The surrender of as military posts. The surrender of as military posts. The surrender of as military po times that are past, and we promise any have made that section of our Territory which is good news.

Mr. E. H. Sooner, agent of the Vulture mine, arrived from San Francisco Friday. He is expecting his camp Wednesday. He is expecting his family from California next week, "unawares." Life is full of troubles. The stage for Maricopa will hereafter and as soon as they arrive will go to housekeeping at camp.

"Ere yet the fruits of manhood's language of the promptly at 11 o'clock p. Gentlemen interested in Mineral Hill

leave Phenix promptly at 11 o'clock p. m., and will not wait for the northern connections. This change has been made necessary owing to the fact that road between here and that campin good found with his not waiting for the crop; if the mail does not arrive at Maricopa condition. By repairing the river cross-at 5 o'clock p. m. it is reported, and for ing, just above Mr. Finch's ranch, bridg-Alfredo Brown, convicted of the mur-der of Cantrell, was brought into the business men, who are directly interest-District Court Friday morning at 10 ed, will lend a helping hand.

omplimented on all sides.

(From the Phenix Gametic, October 23.)

Dr. Ryder, of Prescott, passed through

The rightness mines of Pinal ty will show whether he was a father Dr. Ryder, of Prescott passed through Phenix, this morning, in charge of one James Lane, adjudged insane, and ordered taken to Stockton.

Of the many matchies in the supposition, but a demonstrated fact. The filial affection is no sufficient evidence of mere abstract protentions like these ping ore to San Francisco and after pay—

"For his folks he lived."
